ONE YEAR MISSIONS EXPERIENCE IN CHIANG MAI, THAILAND

Project Video exists to proclaim the Gospel through video.

We empower teams of ethnic evangelists with equipment and training so they can proclaim the gospel through video in their own language. We currently have teams all across Asia.

We are a grassroots movement engaging the global church in missions through personal encounters.

A man with dark hair and sunglasses on his head is taking a photograph with a Canon DSLR camera. He is wearing a grey t-shirt and a black watch. The background is a blurred outdoor setting with green foliage.

*For this reason I remind you to fan into flame the gift of God,
which is in you through the laying on of my hands.*

2 Timothy 1:6
